Friday 8th March 2024

Hogwarts Touch the Stars

Last week Hogwarts had an out of this world experience as they took part in the StarlinCs workshop. The morning began with the inflatable dome in the hall. In the dome the children got to see all the planets and constellations. Lucy amazed the children with her knowledge. The Planetarium visit was very interactive. The children also got to experience a variety of other activities including eating space food, making their own spacecraft and even smelling space!

Jack M's favourite part was the stars in the inflatable dome but making the clay models was great fun. Poppy and Jess B thought the activities were interactive and intriguing.

Last week, Hogwarts had the highest attendance with 96%. Overall attendance was 93.4%. National expectation is 94.5%.

The £10 voucher for attendance raffle has begun again, with all 100% attendees this week being added for the Easter draw.

Radio Stars!

This week, Caythorpe provided the voices for Joseph Begley's daily feature on his morning show, "Hide and Seek!" Listeners have a different clue each day to reveal the identity of a mystery location around the world. Jessica was super cool with her clue on Monday morning. Perhaps Jack can add radio presenter to his list of possible future careers too! Matilda and Florence's truly charmed Joseph and the listeners.

Can you guess where in the world the children from Caythorpe are describing? [Listen again on our news page.](#)

Monday 11th March – British Science Week begins
