Enchanted Forest and Neverland Visit Rand Farm

The children of Enchanted Forest and Neverland visited Rand Farm Park as part of their topic "How should Old McDonald look after his farm?". Rand Farm is a working farm and so the children had the opportunity to experience "hands on" many activities which happen on a farm.

The children took part in the big animal feeding, lamb bottle feeding and chick handling. One lamb was so excited to see the Caythorpe children.... It escaped its pen! But Mr Roberts had him under control!

The children also gained an understanding of where food comes from including watching how cows are milked.

To end their visit, the children took their seats in the covered trailer for a tractor ride. to see the whole farm and animals in the fields.

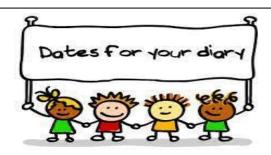

There was even time to check out the play park.

Back at school these experiences will help make the learning within the classroom more meaningful for the children. Enabling them to make links to real life. They will learn about life cycles of animals within their science lessons. EYFS will learn about baby animals and compare them to their parents.

Queen's Jubilee Celebrations

The school will celebrate the Queen's Platinum Jubilee on Friday 27^{th} May, our last day of term. The school is participating in the following ways...

- Village banner Mrs Bartholomew has asked for a children's committee to help her create the village banner. Many children were willing to volunteer.
- Competition see details opposite.
- Crown parade of competition entries in the playground

On Friday 27th May, children may come dressed in red, white and blue or as a member of the Royal Family. At lunchtime we will all have our lunches "street party" style, on picnic benches and tables in the playground.

The classes are organising Queen's Platinum Jubilee style activities throughout the day.

At the end of the day there will be a Celebration Assembly where competition winners will be announced. This assembly will be a little earlier at 2.45pm as it is an end of term assembly.

Jubilee Competition

I need a new crown for my party celebrations!

The Queen needs a new crown!

Competition 1: Design and make a crown for the Jubilee celebrations. Entries will be judged at the royal procession on Friday 27th May.

Competition 2: Design a Platinum Jubilee stamp to mark the occasion. Entries to be handed in by Friday 27th May for judging.

Ask for an entry form from your class teacher!

Parish Council Commemorative Mugs

We have been approached by Andy Roberts, a representative from Caythorpe Parish Council. The parish council have kindly offered to gift the pupils at Caythorpe Primary a commemorative Queen's Jubilee mug. The wording on the mug will say

"Presented to the children of Caythorpe Primary by the village to commemorate The Platinum Jubilee of H.R.H. Queen Elizabeth II"

If you **DO NOT** want your child/children to receive a mug or if you would prefer to have a single mug for families, could you please let Mrs Madge or Mrs Hunt know so we can ensure all children who want one, receive one.
